

## WELCOME TO SEMESTER TWO!

We hope you are refreshed from your mid-semester break and ready to hit the ground running!

Welcome to all the new students starting their studies at Carey.

### TUESDAY GUEST SPEAKER

**Paul Goldsmith, Minister of Tertiary Education**

Please make every effort to come on Tuesday lunchtime to welcome the Minister of Tertiary Education, Paul Goldsmith. We want Paul to leave with an indelibly positive impression of the Carey community as we gather together.

### TUESDAY CHAPEL

This year's Chapel theme is "Selah — Stop | Pause | Think"

To kick off Semester Two Ministry Training Director Jonny Weir will be sharing on Psalm 29

<sup>1</sup> Ascribe to the LORD, you heavenly beings, ascribe to the LORD glory and strength.

<sup>2</sup> Ascribe to the LORD the glory due his name; worship the LORD in the splendor of his holiness.

Come expectant to hear from God and ascribe to the Lord the glory, worship and splendour due his name!

### TUESDAY FORMATION GROUP

10:00-11:00am in the Student Lounge

If you are not studying a specific training track (PL, YPL, Mission Track or Intermission) you are very welcome to join the Tuesday Formation Group led by Rachel Roche. This is a time to gather together and create some space to discern where God might be interacting with us and open to anything he might want to show us.

Students studying distance or part-time are warmly welcome to come to any of the community life events held each week.

## CAREY news

For the past three days Carey has hosted the Home or Away conference: Locating Sports and Leisure in Christian faith and practice. Sports Chaplains from New Zealand and Australia, Pastors, students, P.E. Teachers, professional athletes and academics came together to listen to a diverse range of topics and to fellowship together.

Vodafone Warriors coach Stephen Kearney joined us for Wednesday afternoon and Ian Foster, Assistant Coach to the All Blacks was our Conference Dinner special guest on Wednesday night sharing insights into the values and principles that are an established part of the AB's winning formula.

### ETHNIC MINISTRY LEADERSHIP TRAINING PROGRAMME IS LAUNCHED

The official launch of Carey's new Ethnic Ministry Leadership Training Programme was held on Thursday 13th. 24 students originating from 10 different nations arrived at Carey with such joy and gratefulness that Jesus has given them the privilege of studying with us.

This is a significant step forward in providing bespoke training designed specifically for these emerging leaders. Students will be learning Introduction to the New Testament and Inspirational Preaching this semester from two very experienced scholars, Dr Beulah Wood and Dr Laurie Guy.

"It is an absolute privilege to be a part of this new leadership training" says Jonny Weir, Director of Ministry Training. "Many of the students brought stories of trial and hardship, but they also carry huge vision for how God can use them to bring 'good news of Jesus' to the migrant communities of Auckland."

"The orientation dinner was fabulous.... It was wonderful to see people sitting around the tables and having conversations and getting to know each other. I believe; what NBA, Ethnic Leaders and Carey has put together for these Ethnic students and leaders, will surely bear fruit in the due season. I am excited to see what the Lord has in store for these churches and leaders"
