Community Lunches

Join us on Monday and Tuesday for our Community Lunches. This is a great time to get to know other students and staff while enjoying a delicious lunch together.

Chapel Speaker

Old Testament Lecturer Dr Csilla Saysell will be introducing our Selah theme in Chapel on Tuesday 28th. Csilla will be talking on Psalm 73. It should be good!

Lunchtime Interview

This coming Tuesday Charles will be interviewing Carey Graduate Phillipa Rae. Phillipa works in Kolkata for Freetest and is back in New Zealand for a few months.

Wednesday Prayer

Every Wednesday at 12.40pm we come together as a community to pray. Join this week's facilitator, Mike Crudge, as we pray specifically for Freetest in Kolkata and mission work globally.

Welcome to the first week of the 2017 Academic year.

Carey exists to help form leaders for ministry and mission. We love Jesus, we love the Bible, we love the Gospel, we love the Church, and we love mission. I often say to students, "It is not by chance that you have arrived at Carey," and that, "I firmly believe that God has called you to be here". As you study please keep asking the questions, "Why has God brought me here? What is it that he wants me to be and to do?" We pray that one of our students might be the next William Wilberforce, Dietrich Bonhoeffer, Mother Teresa, or Billy Graham.

On Orientation Day Dr John Tucker gave an address entitled, 'How to Survive and Thrive in Theological Study'. It was

brilliant! Can I encourage you to take a few moments to read through his script found on Careyonline and carey.ac.nz. I think you will find it very helpful as you begin studying and training with us.

At Carey we want to serve our students the best that we can. If we can help you any way, please do not hesitate to contact us.

May God bless you greatly,
Charles
