MODES OF STUDY

Carey offers students the opportunity to study in different modes, with the possibility of changing the mode of study if required; see Enrolment and Programme Regulations for more information.

Studying Full-time

Carey offers students the option to study full-time. Full-time study equates to enrolling in seven or eight courses over semester 1 and 2 (full year). Full-time study allows students to combine on-campus courses, distance, block, and field education courses to provide a highly customisable study programme to suit their individual needs.

Studying Part-time

Students also have the option to study part-time. Students can do a minimum of one course per semester, up to 3 courses per semester. Part-time study enables students to combine study with other commitments such as employment, family, and church life. Part-time students can combine on-campus courses, distance, block, and field education courses in order to attain a study programme that meets their own needs. Normally part-time students enrol initially in either the New Zealand Certificate in Christian Studies or the New Zealand Diploma in Christian Studies with the option to continue studying additional qualifications at a later date.

Study In-class (either Onsite or via Zoom) OR Online as a distance/regional student.

Carey offers students the opportunity to study in a way that best suits your other commitments and preferences. This means students can be located anywhere in New Zealand and still access the classes and participate in the course interactions. You can study live in class, either onsite at our Penrose campus, or live via Zoom video link. Alternatively you can study online, accessing the recorded classes at a time that is convenient for you. All modes require students to participate and engage in learning activities that are typically hosted via our web-based learning management system (CareyOnline).

Audit

Students can attend classes in individual courses for personal interest. Enrolment is subject to availability of space within a programme or course and is at the discretion of the Academic Director. Students will have access to CareyOnline, but audit study is not subject to any assessment requirements. Therefore, no academic credit is awarded at the completion of the course.

Please note that as with all other courses and programmes, a tuition fee will be charged for Audit; see Fees Regulations and Schedule for more information

Block Courses

Carey offers a number of courses by means of block mode. These courses are normally held at the Auckland campus for a duration of three, four or five days in either one or two blocks. In addition to attending the teaching blocks, students must complete extra reading and assessments. Attendance at all block courses is compulsory. It is recommended to attend blocks in person (on-campus)—if you are unable to physically attend, please talk with your teacher. Additional Zoom classes may also be scheduled during the semester. Block courses are full semester courses and officially commence on the first day of the semester. www.carey.ac.nz.

Field Education Courses & Internships

As a part of the Undergraduate curriculum a number of Field Education courses and internships are available. Field Education and internships utilise practical ministry experiences as the basis of biblical and theological reflection and personal growth. There are varying ways in which Carey can partner with churches and students—contact the Internships Co-ordinator for more information.

PROGRAMMES OF STUDY

Carey offers a variety of academic programmes at undergraduate and postgraduate levels within the discipline of Applied Theology.

Undergraduate Qualifications

Carey offers certificates, diplomas, and degree level programmes with a range of courses equivalent to NQF Levels 4 to 7 (National Qualifications Framework – see www.nzqa.govt.nz for more information). These qualifications are ideal for those looking to prepare for practical Christian ministry and mission.

Carey's undergraduate programmes combine two core strands of Christian training; Bible and Theology (including Church History), and Mission and Ministry (including Formation and Fieldwork). The aim of the programmes is to meet the challenge of balancing classroom based study, spirituality and hands-on experience.

Postgraduate Qualifications

The Carey Graduate School delivers Postgraduate qualifications. Postgraduate qualifications are designed to serve the needs of students who:

- ◇ wish to advance their knowledge and practice in applied theology
- ◇ wish to pursue an academic career with an emphasis in applied theology
- ◇ are engaged in professional roles associated with Christian ministry who wish to advance their knowledge and skills in these fields
- ◇ are pastors, mission practitioners, or senior staff in Christian Non-Government Organisations (NGO's) and related fields who wish to enhance their leadership through study in applied biblical and theological study.

The aim of the Carey Graduate School is the creation of thinking practitioners, scholars and leaders who will stimulate and resource new knowledge, fresh and critical thinking, and the development of effective praxis in Christian ministry, mission and leadership in New Zealand and beyond.

For more information regarding our programmes please refer to the Specific Programme Regulations for each programme.

- 12.4.1 Studies may be deferred for up to two consecutive semesters. No more than four semesters, in total, can be deferred.

12.5 Post-Graduate Programmes

- 12.5.1 If exceptional circumstance arise the Academic Director may approve a deferment for a limited time; approval and the duration is at the discretion of the Academic Director.
- 12.5.2 If after the time period of the deferment has passed and a student is still unable to resume their studies and they cannot anticipate when they may be able to resume their studies, they must give written notice, in addition to completing the appropriate form, to the Academic Registrar informing them of their withdrawal from their programme of study.
- 12.5.3 Students enrolled in a Masters thesis must adhere to the Thesis Regulations on Leave of Absence; see Thesis Regulations for more information.
- 12.5.4 Please note that if granted a deferment of study students will not have access to Carey resources for the duration of the deferment.

13. ATTENDANCE REQUIREMENTS

13.1 Attendance Requirements for All Courses

- 13.11 Students at Carey are required to specify their intended study mode during enrolment (from 2024). Attendance requirements vary depending on which study mode is chosen for that course.

13.1.2 Weekly taught courses: Onsite and Zoom (in-class) students are expected to attend all lectures and classes that are scheduled in the published timetable for that course. This includes all lectures, tutorials, seminars, workshops or field trips that may be designated. Students are expected to notify the teaching team if they are unable to attend a class. Course teachers will take an attendance record, and students are expected to attend at least 80% of classes. Unsatisfactory attendance without prior agreement and notification may result in disciplinary measures, and in extreme cases may result in failure of the course.

13.1.3 Weekly taught courses: Online (distance/regional) students access class recordings and are not required to attend classes live. However, they are required to interact and engage with the class via CareyOnline and other online activities are outlined in the course. Online access logs will be monitored for ongoing engagement with the course materials and resources.

13.1.4 Block courses. Attendance at block courses in person, on-campus is expected for all modes of study. If a student is unable to attend in person, it may be possible to allow the student to join live via Zoom link with prior agreement with the teacher and academic registrar. Failure to attend a block course without prior agreement and notification may result in disciplinary measures, and in extreme cases may result in failure of the course.

- 13.1.5 Further, if an onsite or Zoom student fails to attend lectures for four consecutive weeks without notifying Carey, this may be considered grounds for dismissal.

- 13.1.6 A pattern of late arrival or early departure from class may also be considered as an absence, and in such instances the Academic Director will consider appropriate disciplinary measures.

For more information relating to grounds for dismissal please see the Student Disciplinary Procedure.

14. TRANSITIONAL PROVISIONS

- 14.1 Changes to the academic requirements for the award of any of the qualifications may be made from time to time. All transitional provisions will ensure that requirements are applied on a case by case basis guided by the following principles:
- 14.2 No current student will be materially disadvantaged by changes to the Regulations and structure of the programmes of study.
- 14.3 Students will be able to complete their qualification under the Regulations in force at the time of first enrolment where course timetabling permits.
- 14.4 Transitional arrangements relating to specific programmes are contained in the Specific Programme Regulations.

Fees Regulations

For the latest Fees Schedule please refer to the Carey Baptist College, “Carey”, website www.carey.ac.nz/fees.

1. FEES PROTECTION

- 1.1 The New Zealand Government, under the Education Act 1989 and the Student Fee Protection Rules 2013, requires all Training Establishments registered with the New Zealand Qualifications Authority (NZQA) to protect all student fees paid to them.
- 1.2 Carey has appointed the Public Trust to manage this obligation, and uses their Fee Protect service. Public Trust is a government owned Trustee Company that has been in existence for over 135 years and all fees deposited with Public Trust have an unsecured capital guarantee from the New Zealand Government.
- 1.3 Students’ fees are deposited into a trust account at the Public Trust and are then paid to Carey over the duration of their study in accordance with an agreed payments schedule. This ensures that at any time sufficient money is available for refund in the case of a student withdrawing from a programme or course, or the unlikely event that Carey is unable to complete the delivery of a programme or course on account of closure, insolvency or loss of its NZQA accreditation.
- 1.4 Application for any refund is to be made in writing to the Public Trust who, on verifying the claim, will make payment within fifteen days of the course ceasing.
- 1.5 Please note that if a student fails to sign the Public Trust Acknowledgement form they will not be enrolled in CareyOnline until they have done so.

For more information, visit the Public Trust’s website,
<https://www.publictrust.co.nz/student-fee-protection/for-students/>

4. DEFAULT OF PAYMENT

- 4.1 If a student defaults in their payments Carey may at their discretion lodge a notice of default with a credit bureau or agency of its choosing advising them of the failure of the student to comply with the Fees Statute. Notice normally would contain information regarding the failure to make payments including the current status of the student's account and the amount of default involved.
- 4.2 Carey is not liable for any action which may be taken by any party who becomes aware of the default lodged against the student. However, Carey is responsible for the removal of the default notice should the default be found to be unsubstantiated. Further Carey is also responsible for updating the notice when the default has been paid.

5. DEBT COLLECTION

- 5.1 If a student has failed to make payment of their fees by their due date Carey may at its discretion forward the details of any outstanding amounts to a recovery agent, or any agency of its choosing for the purpose of debt collection.

9.2 FUNDS

The student support fund exists to give financial assistance to those who require it. Applications are made directly to the Principal and are treated in strict confidence. 2. DEVICES

All students will need a device with internet access to enable participation in online activities and use of online resources. High-speed internet access at home is recommended.

3. GENERAL EXPENSES

All students are responsible for any personal expenses such as travel, medical and personal insurance, stationary, food, accommodation and other personal need related costs incurred during the study at Carey.

- 5.1 Students attending a Graduation ceremony are required to hire regalia. The costs are typically between \$30-\$100 for hireage (depending on the qualification) but are not set by Carey and therefore subject to change. Assessment and Moderation Regulations

1. ASSESSMENT REQUIREMENTS

- 1.1 Carey Baptist College, “Carey”, uses a standards based assessment method. All assessments will be appropriate to the nature and level of the course and programme for which they are set.
- 1.2 Each course requires students to complete a number of assessments, requirements for which, including style and presentation requirements, will be detailed in the Course Outline.
- 1.3 All assessments for a course must be completed by the due dates specified in the Course Outline.
- 1.4 All assessments must be completed in sequence to pass a course.
- 1.5 When a course requires both an oral and written assessment, unless otherwise stated, a passing grade in both the oral and written assessment is required in order to pass the course. Similarly, when a course requires both a practical as well as written assessment, a passing grade in both is required in order to pass the course.

2. RESEARCH ETHICS

- 2.1 Any assessment or research project undertaken by a student involving, or directly affecting living persons must be conducted with due regard to ethical issues and comply with the requirements of the Research Ethics Policy.

3. SPECIAL ASSESSMENT CONDITIONS

- 3.1 A student with a temporary or permanent disability which affects their ability to undertake a course assessment under regular assessment conditions may apply to complete their assessment under conditions which take into account the particular nature of their impairment.
- 3.2 Please note that applications must be made in writing to the Academic Director prior to the due date of the assessment.

4. USE OF TE REO MĀORI IN ASSESSMENTS

- 4.1 Carey recognises Māori as an official language of New Zealand and as a tāonga for all New Zealanders protected under the articles of the Treaty of Waitangi. Therefore, Carey upholds the right of students to use Te Reo Māori as the language of assessment in its academic programmes. If a student wishes to use Te Reo Māori in their assessment they must contact the Academic Director within two weeks of the commencement of the semester in which the assessment is due. Please note that a longer period of notice or a limitation on the use of Te Reo Māori may be necessary when oral work involves interaction with other students; see the Policy and Procedure for use of Te Reo Māori in Assessments for more information.

5. USE OF CHINESE (MANDARIN) IN ASSESSMENTS

- 5.1 Students completing courses in Mandarin are expected to submit their assessments in Chinese (Mandarin) (or Te Reo as per Carey Policy)
- 5.2 Students enrolled in English taught courses must submit their assessments in English to meet NZQA requirements (or Te Reo as per Carey Policy)
- 5.3 Word limits for assessments in Chinese are to be adjusted according to the following equivalency 1:1.6. In other words, 1000 words in English is deemed equivalent to 1600 words in Chinese.

6. SUBMISSION AND RETURN OF ASSIGNMENTS

- 6.1 Course assessments are normally submitted and returned electronically through CareyOnline, which records the time and date of submission.
- 6.2 Hardcopy submissions are only permitted in special circumstances, for which approval must be granted from the Academic Director.
- 6.3 Carey aims to have all assessments marked and returned to students within three weeks of the assessment due date. However, when work is submitted late the assessment may be returned late.
- 6.4 When marking assessments, the marker will provide a grading comment explaining:
 - The extent to which the criteria of the assessment has been met.
 - The overall grade (0-100%) for the assessment.

7. REQUESTS FOR EXTENSIONS

- 7.1 Extensions are normally given only for reasons of ill-health or on compassionate grounds; work and life pressures that could be planned for are not valid grounds for extension.
- 7.2 If a student requires an extension on an assessment they can apply to the Academic Registrar on the prescribed form with full supporting evidence prior to the due date of the assessment.
- 7.3 Normally extensions will be given for no longer than two weeks. Extensions will not normally be granted beyond the final day of the semester.
- 7.4 Each application will be considered on its own merits.

8. PENALTIES FOR LATE SUBMISSIONS

- 8.1 An assessment submitted up to one week (7 days) after the due date without a formal extension being granted will incur an academic penalty equivalent to a 10% reduction in marks, normally equivalent to two grade steps. An assessment submitted more than one week after the due date but no more than two weeks (14 days) after the due date will be marked, but will not be awarded a grade other than a “Pass” or “Fail”. The maximum mark the assignment will receive is 50% (Pass). An assignment submitted more than two weeks after the due date by default will receive a “Fail” grade unless an alternative submission date has been negotiated and approved by the Academic Registrar.
- 8.2 For semester length courses, no assessment submitted after the last day of the semester will be marked unless an extension has been previously approved. For full-year courses, no assessment item submitted after the last day of the second semester will be marked unless an extension has previously been approved.

9. GRADING CRITERIA

The following grading system is used for the recording of course grades where achievement based assessment is used.

GRADE	MARK	DESCRIPTOR
“A” Range (80-100%) = Excellent		
A+	90-100%	Excellent in all criteria assessed, extra elements above what is expected
A	85-89%	Excellent in all criteria assessed
A-	80-84%	Excellent in most criteria assessed
“B” Range (65-79%) = Good		
B+	75-79%	Very Good in all criteria assessed and excellent in some respects
B	70-74%	Good in most criteria addressed and very good in some respects
B-	65-69%	Good in most criteria assessed

"C" Range (50-64%) = Satisfactory		
C+	60-64%	Satisfactory level attained in all criteria assessed and good in some respects
C	55-59%	Satisfactory level attained in all criteria assessed
C-	50-54%	Sufficient level in most criteria assessed, but some weaknesses
"D" Range (35-49%) = Unsatisfactory		
D+	45-49%	Some aspects satisfactory but overall fails to meet criteria for a pass
D	40-44%	Fails to meet standard for a pass in most criteria assessed
D-	35-39%	Fails to attain acceptable standard in almost all criteria assessed
"E" Range (0-34%) = Fail		
E	0-34%	Fails to attain acceptable standard in all criteria assessed
Ungraded "Pass"/"Fail"		
Pass	Ungraded Pass	All criteria met
Fail	Ungraded Fail	All criteria not met
Additional Grades		
DNC	Did Not Complete	
W	Withdrawal	

Where assessments for a course have a designated weighting, the value of the marks obtained for each assessment will be multiplied by that weighting, added together and then converted to a final course grade.

10. RESUBMISSION

A student enrolled in an undergraduate programme fails to achieve the standards for a pass grade required in a particular assessment by no less than 40% may apply to the lecturer to resubmit the assessment. If approved the students must resubmit the assessment within two weeks of being notified of their original grade, with the exception of assessments due on the final day of semester, which must be submitted by the Monday prior to the Marker's meeting. The assessment will be marked on a Pass/Fail basis only. A student is permitted to resubmit any given assessment only once.

11. FINAL GRADES

- 11.1 At the end of a course, and after all assessments have been submitted, marked and reviewed, students will be awarded a final grade for the entire course.

12. APPEALS

- 12.1 If a student feels that any assessment process has been inadequate or unfair they have the right to appeal.
- 12.2 Similarly, if they believe that there was an irregularity in the material and/or conduct of an assessment they can make an appeal against their final grade.
- 12.3 Appeals should be made in writing to the Academic Director within five working days of receiving a mark or grade. The Academic Director will consider whether there are grounds for the appeal to be upheld in consultation with the teaching staff member and the Academic Registrar. The Academic Director's decision is final and will be communicated to the student within five working days from the time of the application being received.
- 12.4 Further provisions are made for research and thesis work; please refer to the Thesis Regulations for more information.

13. REPEATING A COURSE

- 13.1 If a student fails a course they may apply to repeat the course.
- 13.2 If a course is repeated a student may wish to resubmit revised versions of previous assessments completed for the first attempt of the course, however this is only permitted with the approval of the lecturer.
- 13.3 If a student repeats a course and is awarded a passing grade the fail grade will still remain on the first transcript, this is so that a true record of the student's progress is kept. However, this fail grade will not be counted towards the Grade Point Average.
- 13.4 A student who has twice enrolled in, but has failed to be credited with a pass in, a course is not entitled to enrol again in that course other than in exceptional circumstances approved by Academic Committee.

14. SPECIAL PASSES

14.1 AEGROTAT PASS

- 14.1.1 If a student was prevented by illness or injury from being present and/or completing a final assessment for a course but has completed at least 55% of the assessments for that course they may be eligible for an Aegrotat Pass.
- 14.1.2 Similarly, if a student believes that illness or injury has seriously affected their performance in a final assessment and they have completed at least 55% of the assessments for that course they may also be eligible for an Aegrotat Pass.
- 14.1.3 Applications for an Aegrotat Pass must be made to Academic Committee through the Academic Registrar within one week of the end of the semester in which the course was taken.

Please note that an Aegrotat Pass is granted on the following basis:

- 14.1.4 The application is supported by a medical certificate that states that in the medical practitioner's opinion, illness or injury of the student either prevented that student from taking and/or completing a final assessment on time, or was likely to have seriously impaired the student's performance in the final assessment.
- 14.1.5 If the Academic Committee approves the application the final grade may be decided in one of two ways.
- 14.1.6 If a student has completed at least 80% of the summative assessments for a course a final grade will be devised by mathematical extrapolation.
- 14.1.7 If a student has completed less than 80% of the assessments for a course a final grade will be estimated in two steps. Firstly, by identifying and comparing the grades achieved in completed assessments with other students who received similar grades in those assessments. Secondly, by observing the performance of those identified students and their grades in the final assessment. Please note that any estimated grade shall be conservative.

14.2 COMPASSIONATE PASS

- 14.2.1 If exceptional circumstances beyond a student's control arose, other than illness or injury, which they believe seriously impaired their performance in a final assessment they may be eligible for a Compassionate Pass.
- 14.2.2 Applications for a Compassionate Pass must be made to Academic Committee through the Academic Registrar within one week of the end of the semester in which the course was taken.

Please note that a Compassionate Pass is granted on the following basis:

14.2.3 The application is supported by evidence, the specifics of which will be requested by the Academic Registrar prior to presentation to the Academic Committee.

14.2.4 An administration fee will apply to all Compassionate Pass applications; see the Fees Regulations and Schedule for more information.

14.3 CONCEDED PASS

14.3.1 If a student, in their final year of a Diploma or Bachelor's award, fails a major piece of assessment in one course only but has performed at a satisfactory level in that course and would otherwise have completed the Diploma or Bachelor's programme then they may be eligible for a Conceded Pass.

14.3.2 Please note that only one Conceded Pass can be given during a student's entire period of study at Carey.

15. ACADEMIC MISCONDUCT AND PLAGIARISM

15.1 New students to Carey Baptist College are required to complete First Steps covering key academic literacy and academic integrity concepts and requirements.

15.2 Carey will not accept any form of cheating, or assisting others to cheat on assessments. Cheating in coursework or assessments is viewed as a serious academic offence. The work that a student submits for grading must be the student's own work, reflecting their own learning. Where work from other sources is used, it must be properly acknowledged and reference. Submitting work from an AI-enabled chatbot (or similar language processing tool such as ChatGPT) is not acceptable and will be treated as academic misconduct. Contract writing is also viewed as academic misconduct.

15.3 Plagiarism is a specific form of academic misconduct and is defined as copying another person's work without acknowledging them as a source, or putting one's own name on someone else's work. (eg contract writing, or having a friend write a piece of work and putting your name on it). This includes sourcing material, a piece of work from another person or digital source (including AI and ChatGPT). Therefore, all words that are copied from another piece of writing, or recording, must be enclosed in quotation marks (" ") and the source referenced according to an accepted system of referencing. Where significant ideas are borrowed from other sources, these too must be acknowledged. Having a friend help proof-read a piece of work for grammar, spelling or readability (but not substantially adding content to the writing) does not constitute plagiarism or academic misconduct.

15.4 Carey uses Turnitin, an online plagiarism detector, for all written assessments.

15.5 Carey regards any form of academic misconduct as a serious violation of academic integrity and therefore it is treated as a serious offence and disciplinary measures will be taken. The Academic Director will discuss cases of academic misconduct with the student concerned, student details will be placed on the Carey Plagiarism & Academic Misconduct Register and the Academic Committee will be notified. Additional disciplinary measures may include a reduction in their mark or grade, or a requirement to do a reassessment.

15.6 In the case of repeat offences, a student may receive a failing grade for their entire course and/or be excluded from their programme of study for a period of time. Repeat offences may also be considered grounds for dismissal.

16. MODERATION

16.1 All Carey courses and assessments will be subject to both internal and external moderation. The moderation process aims to ensure that assessment methods are valid, fair, set at the correct level, and manageable. It also seeks to assure that assessment evidence is valid, authentic and sufficient; and that assessment outcomes and feedback are consistent, systematic and transparent.

16.2 All Carey courses and assessments will be subject to both internal and external moderation. The moderation process aims to ensure that assessment methods are valid, fair, set at the correct level, and manageable. It also seeks to assure that assessment evidence is valid, authentic and sufficient; and that assessment outcomes and feedback are consistent, systematic and transparent.

16.3 INTERNAL MODERATION

All course outlines will be internally moderated by the Academic Committee prior to each course delivery. Course outlines must be submitted to the Academic Committee for moderation (approval) prior to the semester start, and prior to those Course Outlines being made available to learners. The academic Director will liaise with teaching team members if any issue are identified at academic committee. The academic committee will look at the overall course design, learning outcomes, assessment tasks and weightings and broad course content.

16.4 EXTERNAL MODERATION

All Carey courses will be subject to external moderation at least once every three years for annually taught courses, and at least once every four years for bi-annually taught courses. Courses will also be externally moderated when there is a new teaching team member facilitating the course. The Academic Director will oversee the external moderation schedule and communicate with teaching team members accordingly. The external moderation will be conducted by an academic from another institution who has expertise and knowledge in the subject area. Copies of the Course Outline and samples of student work (covering low, mid and high grade range) will be submitted for moderation. Moderation reports will be received by the Academic Director and discussed with the staff members concerned. Any changes to the course that result from the external moderation report will be captured and tabled at Academic Committee for approval.

17. EVALUATION OF COURSES BY STUDENTS

17.1 Evaluation of courses is another important aspect of course quality assurance and evaluative questioning. All courses will offer students the opportunity to evaluate the course facilitation, the learning and teaching activities and resources, and the assessment tasks. Courses will be evaluated at least once every three years for annually taught courses, and at least once every four years for bi-annual courses. A course will be evaluated whenever a new teacher is taking the course, or if a course is delivered for the first time. In practice courses tend to be evaluated more frequently due to these factors. Course evaluations will typically be conducted online in week 12 or 13 of semester. Feedback will be provided to students in-class before the end of semester, with summaries of the feedback provided both online and verbally in class. At the end of each teaching year, a summary of key themes emerging from course evaluations will be posted online for students and staff to view.

MB430 EXPLORING GOD'S WORD (INTERMISSION ONLY)

This course provides a broad overview of the Bible as God's ongoing story of creation and humanity. It will introduce students to key people and their stories from both the Old and New Testament, while providing a framework for understanding reoccurring theological themes. It will consider how the Bible is still relevant for shaping individual and communal stories today.

15 CREDITS

MB531 INTRODUCTION TO THE OLD TESTAMENT

This course is an introduction to reading and interpreting the Old Testament. It provides an overview of the OT, its historical-cultural setting, literary features and overarching theological themes. It also explores how different types of literature in the OT are to be interpreted within their own ancient context and from a Christian perspective as well as how their theological message may be applied today. Students will get practice at basic exegetical skills using OT texts aiming to provide sound basis for further biblical study.

15 CREDITS

MB532 INTRODUCTION TO THE NEW TESTAMENT

This course is an introduction to reading and interpreting the New Testament. It explores the key genres of writing found in the Bible from Matthew to Revelation and then considers how to read each contextually and interpret them for today. The biblical skills required for interpretation and exegesis writing are also covered, aiming to provide a sound basis for further biblical study.

15 CREDITS

MB535 INTRODUCTION TO BIBLICAL LANGUAGES

This course aims to teach the basic skills and knowledge needed for beginning the journey of exegesis in the original languages (Hebrew and Greek). MA801 RESEARCH METHODS IN APPLIED THEOLOGY

This course is designed to support postgraduate students in developing a research project in Applied Theology, and to assist them in defining their mode of enquiry. The first part of the course focuses on students identifying a research programme using their own professional, voluntary, or pastoral practice, as the foundation. The second part looks at a range of theoretical perspectives on research generally, as well as perspectives specific to their own research project. The third part of the course moves onto specific operational aspects of the research process. From this grounding in research issues and techniques students will plan a research topic through to the credit of designing a research instrument. This does not commit students to that topic in their ongoing studies. However it does place them in a good position to move into their thesis work.

Throughout this course students are exposed to structures that provide both practical and spiritual support for the researcher. In light of this students will develop their own supportive research environment.

Further, this Course brings Dietrich Bonhoeffer into conversation with Bill Hybels, the former pastor and leader of Willow Creek. Willow Creek proves to be a valuable case study in which issues of ego and power surface. It is important to understand them rightly and posit how Bonhoeffer's thought and practice provides a needed corrective.

MA826 KINGDOM ECONOMICS

The full impact of COVID-19 upon global and local economies is not yet known, but we do know it will have a significant financial impact upon churches, organisations and nations. This course will provide a rigorous exploration of Old and New Testament biblical texts that address theological economics, and explore a selection of contemporary economic theories, in order to shape our imaginations for economic decision-making. We will also sit at the table with Christian leaders and entrepreneurs to learn from those who lead creatively and courageously. The aim is to resource you and your church to form creative and courageous responses to the current crisis.

MA827 THEOLOGY, RACE AND CHURCH

The rise of the #blacklivesmatter movement and protests about racism around the world raise important issues for theology and the church, not least because of the church's entanglement in the construction of the modern racial condition. This course examines historical and contemporary misappropriations of theology in the development of current racial issues, and explores the biblical and theological possibilities for a gospel-centred account of the church's anti-racial witness to God's kingdom. The aim is to understand contemporary global and national issues, and examine possibilities for the church's faithful witness to God in the face of racism.

MA828 DISCIPLESHIP AND GOSPEL TRANSFORMATION

It is often said that if you get the gospel wrong, you get everything wrong. In conversation with N.T. Wright we will ask: What, then, is the gospel? Likewise, in conversation with Dietrich Bonhoeffer we will be asking: What are the measures of discipleship? And in conversation with John Wesley we will ask: How then can we design churches to produce people who embody kingdom holiness, where holiness is in part love of neighbour and neighbourhood? The aim is to retool Christian leaders, churches and their wider communities for the revolution that Jesus began.

MA829 PUBLIC THEOLOGY AND THE CHURCH

Public theology is “the church reflectively engaging with those within and outside its institutions on issues of common interest and for the common good” (Day and Kim). This course explores the church’s biblical, theological, and historical resources for the task of public theology and public witness to the gospel. We will critically examine models of public theology and a range of cases studies that will equip us to engage theologically with contemporary issues in society. Students will examine current social issues such as climate change, extremism and terrorism, sexual abuse, racism, modern slavery, and COVID-19 and produce theological responses that serve the church and the public good.
